KS2 Mathematics Just Words 1

Word work to reinforce useful vocabulary:

10 Word Splits

10 Letter Boxes

10 Mis-words

10 Word Scrambles

10 Wordsearches

Doreen Anderton,
John Clancy & Chris Vallance

KS2 MATHS
Just Words 1

Word Splits

Join the two parts of each word.

Letter Boxes

Place words correctly on the grid.

Mis-words

Use the given letters to complete the words.

Scrambles

Unravel the letters to find the words.

Wordsearches

You are shown the first letter of each word.

Photocopy and Print Licence

We hope you enjoy using the worksheets. You can print or photocopy as many as you like for your personal use or use by the educational institution in which you work or which has purchased the book subject to the following:

- You may photocopy or print these sheets for your own personal use or for use in the classroom or in your educational institution as a professional.
- You may not copy to give to another institution, school or person.
- You may not save an electronic form or digital copy of the worksheets except for your own personal storage or use or that of your educational institution.
- You may not upload to the internet or digitally copy or send digitally or electronically any of the worksheets, you may not send them by e-mail to another person or institution.

Any breach of the above terms will be an actionable breach of copyright concerning which the authors have asserted their rights.

KS2 Mathematics : Word Split 1

Join the two parts of each word.

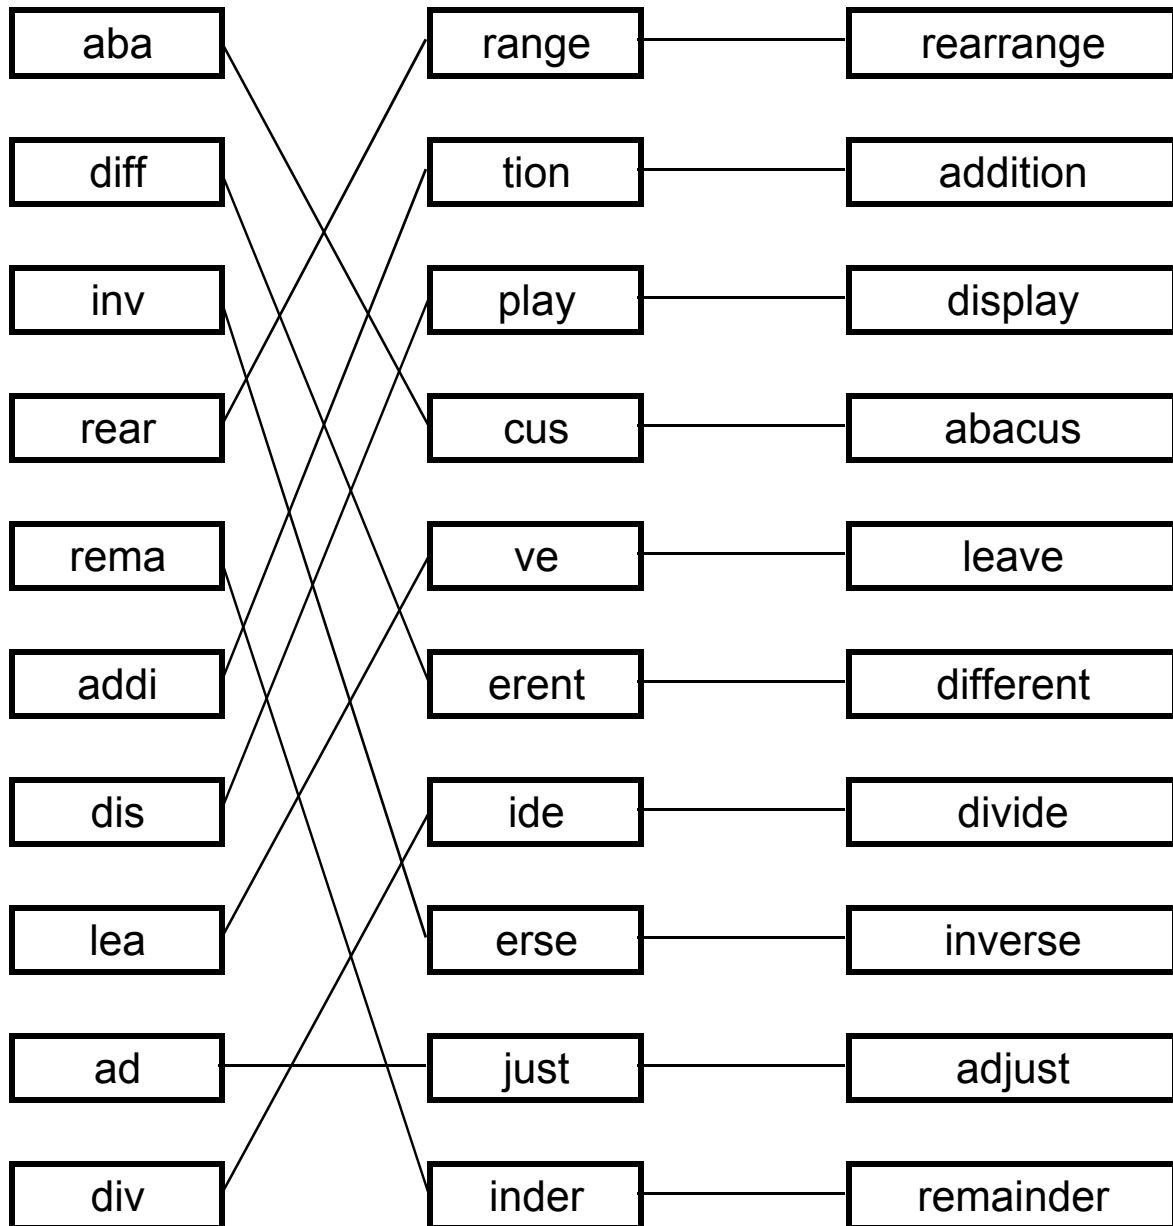

Write the whole word in the third box. The first is done for you.

aba	range

KS2 Mathematics : Word Split 1

- Say the words on your list.
- Cover the words and say them again.
- Look at the words.
- Cover them and spell them aloud.
- Look at the words again and check your spelling.
- Now write the words.
- Look the words up in a dictionary if you don't know what they mean.
- Now you can add these words to your own personal dictionary.

KS2 Mathematics : Letter Box 1

Place these words on the grid so that they interlock.

- Look the words up in a dictionary if you don't know what they mean.
- You can add the words to your personal dictionary.

KS2 Mathematics : Useful Vocabulary 1

Find the words and terms in the grid below.

The words read across (horizontally) or down (vertically).

There are ten items.

The first letter of each word is given.

t	h	f	d	s	w	t	b	j	u	i	o	k	n	f	j	u	i
g	f	r	d	y	j	i	e	s	z	b	h	b	f	r	d	c	g
